

## HIGH SPEED FLOOR FINISH

LYNX HIGH SPEED FLOOR FINISH is the perfect soft floor finish for daily 2000 rpm maintenance.

■ Formulated with soft polymers and fortified with thermoplastics to perform best when daily maintenance procedures are practiced with ultra high speed burnishers.

■ The gloss is enhanced with frequent burnishing.

■ Meets or exceeds industry standards for slip resistance and produces excellent resistance to black heel marks, powdering, water and detergent solutions.

**DIRECTIONS:** 1) Thoroughly strip floor with a Lynx Floor Finish Remover. 2) Rinse floor thoroughly with clean water. 3) Apply 2-4 thin uniform coats of floor finish allowing time to dry thoroughly between coats. Allow for longer drying time in damp weather.

**Maintenance:** Dust mop, sweep or damp mop as necessary. Lynx High Speed Floor Finish is designed to be used in high traffic areas where daily buffing procedures with ultra high speed burnishers are practiced. It may be dry buffed or buffed with the aid of Lynx High Speed Restorer, which is formulated to be used in conjunction with Lynx High Speed Floor Finish.

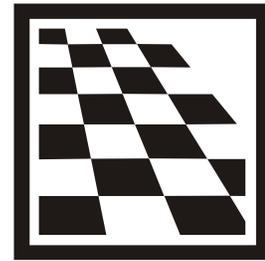

**CAUTION:** Keep out of reach of children. It is recommended that protective gloves and safety glasses be worn when using this product. Make sure there is adequate ventilation. Refer to M.S.D.S. for additional safety information.

### TYPICAL PROPERTIES:

Specific Gravity:.....	1.03
Solids:.....	20%
pH:.....	8.9
Leveling:.....	Excellent
Film Formation:.....	Excellent
Gloss:.....	Excellent
Water resistance:.....	Excellent
Detergent resistance:.....	Excellent
Removability:.....	Excellent
Black heal mark resistance:.....	Excellent
Odor:.....	Slight Ammonia
Appearance:.....	White Emulsion

Manufactured by:  
ABC COMPOUNDING COMPANY, INC.  
ATLANTA, GA / DALLAS, TX

LX0105/0605

### FEATURES

- High Solids
- Soft Styrenated Acrylic Metal Cross Linked Polymer
- Excellent Response To High Speed Burnishing

### BENEFITS

- Wet-look Gloss
- Good Durability

### WHERE TO SELL

- Hospitals / Healthcare
- School Systems
- Grocery / Convenience Stores
- Shopping Centers / Malls
- Sports Facilities
- Office Buildings
- Airports
