

GUM REMOVER

LYNX GUM REMOVER contains unique freezing agents which provide fast and easy removal of gum and wax deposits from carpet, floors, walls and furniture.

- Removes tackiness from gum and wax without harming, staining or marking painted surfaces.

DIRECTIONS: Hold can 4 to 6 inches from gum or wax deposit and spray for 3 to 5 seconds. Remove deposit by scraping with a spatula, spoon or knife. Re-apply if initial application does not remove all the gum or wax deposit.

DANGER: Extremely Flammable. Keep out of reach of children. May cause frostbite if sprayed on skin. Contents under pressure. Do not expose to heat or store at temperatures exceeding 120°F. Do not puncture or incinerate container. Wrap empty container and put in trash collection. Refer to M.S.D.S. for additional safety information.
