

GRAPEFRUIT AIR FRESHENER

LYNX GRAPEFRUIT AIR FRESHENER deodorizes the air and eliminates odors. This dry formulation may also be used to deodorize curtains, upholstered furniture, rugs, etc.

- Chemically neutralizes many types of odors, such as sulfides (from eggs, garlic and onion), amines (from fish) and pyridines (from tobacco smoke).

DIRECTIONS: Shake well. Direct spray upward toward the center of the room. Do not over spray. Repeat application periodically as needed. To deodorize fabrics, hold can 4-6" from the surface and spray sparingly.

DANGER: Harmful or fatal if swallowed. Keep out of reach of children. Contents under pressure. Do not expose to heat or store at temperatures exceeding 120°F. Do not puncture or incinerate container. Wrap empty container and put in trash collection. Refer to M.S.D.S. for additional safety information.

TYPICAL PROPERTIES:
