

DASH CLEANER WITH BLEACH

LYNX DASH CLEANER WITH BLEACH is an all purpose spray and wipe cleaner with stain removing power of bleach. Cleans tough problems like stains, soap scum and greasy dirt. It deodorizes and is non-abrasive. Safely cleans kitchen and restroom surfaces, such as counters, sinks, tubs, showers, toilets, walls, floors, etc.

DIRECTIONS

1. FULL STRENGTH CLEANING:

Pour or spray directly onto surface or damp sponge. Rinse or wipe clean. For tough stains or soils, let stand for 1 minute.

2. **DILUTE CLEANING- FLOORS:** Add 1 cup product per 1 gallon of warm water. Mop and rinse.

3. **TOILETS:** Flush toilet and add 1 cup product to bowl. Brush thoroughly and let stand 10 minutes before flushing.

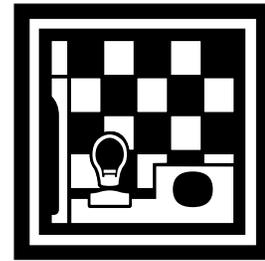

NOTE: Do not mix with other cleaners or chemicals as this may result in the release of hazardous gases. This product is toxic to fish. Do not contaminate water by cleaning of aquarium or equipment. Do not reuse container. Destroy when empty. Do not use on wool or cotton or spray on carpets, drapes or curtains. Refer to product label and M.S.D.S. for additional safety information.
