INSTANT HAND SANITIZER

LYNX® INSTANT HAND SANITIZER is an Ethyl Alcohol- based sanitizer for use when water is unavailable.

DIRECTIONS

To decrease bacteria on skin, apply a small amount to palm. Briskly rub covering hands with product until dry.

DANGER: FLAMMABLE. Keep away from fire or flame. For external use only. Do not use in the eyes. Discontinue use if irritation and redness develop. If condition persists for more than 72 hours, consult a physician. If swallowed, contact a physician or poison control center.

SAFETY CAUTIONS: Keep out of reach of children. This product is an eye irritant.

Refer to SDS and product label for additional safety information and directions for use.
