

PREMIUM BASEBOARD STRIPPER

LYNX® PREMIUM BASEBOARD STRIPPER is a heavy-duty, fast-acting baseboard cleaner that removes floor finish build-up with maximum efficiency. This product forms a gel that clings to vertical surfaces such as baseboards, metal doors and frames. The inverted valve makes for easy dispensing!

DIRECTIONS: Spray onto surface to be cleaned holding can upside down 6 to 10 inches from surface. Apply a thin uniform coat of LYNX® PREMIUM BASEBOARD STRIPPER, do not overspray. Leave on surface for 3 to 5 minutes, then scrub with a wet cleansing sponge or a similar item. Rinse thoroughly with clean water. Always test this product on an inconspicuous area to be cleaned before using. Wipe off any over spray immediately from furniture, walls and other surfaces.

DANGER

Keep out of reach of children. Read label and sds before use. Causes severe skin burns and eye damage. Contains gas under pressure; may explode if heated. May cause damage to organs (liver and kidneys) through prolonged or repeated exposure. May be corrosive to metals.

Refer to SDS for additional safety information.

TYPICAL PROPERTIES:

Specific Gravity:..... 1.02
pH:..... 12.5
Viscosity: 215 cps
Odor:..... Mild Solvent
Appearance: Hazy, colorless to slight yellow
Propellant: Hydrocarbon
Spray Characteristics: Fan blade spray, inverted valve
Net Weight:..... 18 ounces

Manufactured by:
ABC COMPOUNDING COMPANY, INC.
ATLANTA, GA/DALLAS, TX
