

## MAGIC ACID

### RESTROOM CLEANER

- TOUGH AS ANY ACID CLEANER
- NON-CORROSIVE, NON-FUMING, NON-CAUSTIC, PHOSPHATE FREE

■ REMOVES HARD WATER STAINS, CALCIUM BUILD UP, SOAP SCUM, LIME & RUST

■ COMPLETELY SAFE AND EASY TO USE

A unique organic restroom cleaner that cleans just like an acid, although it's entirely safe to use! LYNX MAGIC ACID is non-corrosive, non-fuming, non-caustic, phosphate free and as tough on stains as any acid cleaner.

Removes hard water stains, calcium build up, soap scum, lime and rust. LYNX MAGIC ACID has no harsh fumes making it completely safe and easy to use compared to traditional hydrochloric and phosphoric acid cleaners. This thick clinging formula is ideal for toilets, urinals, tubs, showers and doors, taps, tile and grouting. Use full strength or dilute up to 1:10 with water.

#### DIRECTIONS:

**CLEANING AND DEODORIZING:** Use full strength. Let stand for a few minutes. Wipe with cloth, bowl swab or sponge and rinse well. MAGIC ACID can be diluted 1:5 with water. For large areas spray or foam onto the surface. Allow product to penetrate surface for several seconds then wipe and rinse thoroughly. **TEST:** If you are unsure of a surface, test a small amount of concentrate in an inconspicuous area before cleaning. This will determine how long you need to leave it on the surface and the correct dilution.

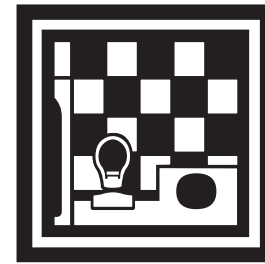

**WARNING: EYE AND SKIN IRRITANT. HARMFUL IF SWALLOWED. KEEP OUT OF REACH OF CHILDREN.** It is recommended that protective gloves and safety glasses be worn when using this product. Make sure there is adequate ventilation. Refer to M.S.D.S. and product label for additional safety information.

#### TYPICAL PROPERTIES:

pH:..... < 2.0  
 Viscosity:..... 700 cps  
 Total Acidity:..... 12.5%  
 Fragrance:..... Pleasant  
 Appearance:..... Thick, clear green liquid

Manufactured by:  
 ABC COMPOUNDING COMPANY, INC.  
 ATLANTA, GA / DALLAS, TX
