

## DRY FOAM SHAMPOO

**LYNX DRY FOAM SHAMPOO** is a heavy duty, concentrated, high foaming carpet cleaner that works effectively on all types of carpet, including the latest generation of stain-resistant carpets.

- Anti-resoil agents leave an invisible non-tacky protective film on carpet fibers and form a dry residue which is easily vacuumed upon drying.
- Contains optical brighteners that brighten carpet colors without attacking the fibers.

**DIRECTIONS: Dry Foam Cleaning:** Dilute 1 to 10 for heavily soiled areas, for the first few cleanings, or for traffic lane pre-spotting. For light soil, dilute 1 to 25. Shampoo carpet and allow to dry, then vacuum thoroughly. **Bonnet Cleaning:** Dilute as above, and spray approximately 10 sq. meters(100 sq. ft.) at a time, holding sprayer 30cm to 40cm(12" to 16") above carpet. Avoid soaking carpet. Dampen bonnet pad with water, do not soak. Spray bonnet with cleaning solution and place bonnet under machine on carpet, sprayed-side down. Buff carpet over sprayed area, turning the pad over or changing it when heavily soiled. Allow carpet to dry for 30 minutes to an hour, then vacuum thoroughly.

**DANGER: CORROSIVE:** May cause eye and skin irritation. Keep out of reach of children. It is recommended that protective gloves and safety glasses be worn when using this product. Make sure there is adequate ventilation. Refer to M.S.D.S. and product label for additional safety information.
