

Magic Acid

- TOUGH AS ANY ACID CLEANER
- NON-CORROSIVE, NON-FUMING, NON-CAUSTIC, PHOSPHATE FREE
- REMOVES HARD WATER STAINS, CALCIUM BUILD UP, SOAP SCUM, LIME & RUST
- COMPLETELY SAFE AND EASY TO USE

LYNX® GREEN MAGIC ACID is a unique organic restroom cleaner that cleans just like an acid, although it's entirely safe to use! Non-corrosive, non-fuming, non-caustic, phosphate free and as tough on stains as any acid cleaner. Removes hard water stains, calcium build up, soap scum, lime and rust.

Lynx® Green MAGIC ACID has no harsh fumes making it completely safe and easy to use compared to traditional hydrochloric and phosphoric acid cleaners. This thick clinging formula is ideal for cleaning toilets, urinals, tubs, showers, tile and grout.

DIRECTIONS: CLEANING and DEODORIZING: Use full strength. Let stand for a few minutes. Wipe with cloth, bowl swab or sponge and rinse well. MAGIC ACID may be diluted up to 1:10 with water. For large areas spray or foam onto the surface, allow product to sit, then wipe and rinse thoroughly.

NOTE: When used on metal surfaces product should be wiped and rinsed immediately!

DANGER: Keep out of reach of children. Read label and sds before use. Causes serious eye damage and skin irritation. May be corrosive to metals.

Refer to SDS for additional safety information.

TYPICAL PROPERTIES:

pH: <2.0
 Viscosity: 700 cps
 Total Acidity: 12.5%
 Fragrance: Pleasant
 Appearance: Thick, clear green liquid

Lynx® GREEN products are formulated with the environment and human health strongly in mind and use the following types of ingredients: biodegradable surfactants, with byproducts that are less toxic than the parent compound; solvents that are not hazardous air pollutants and pose no threat to the Earth's ozone layer; fragrances that have been screened for potential hazardous and persistent ingredients; and other components with a more positive environmental profile than in conventional cleaning and floor care products.
