

LEMON AIR FRESHENER

Lynx® Lemon Air Freshener deodorizes the air and eliminates odors. This dry formulation may be used to deodorize curtains, rugs, upholstered furniture, etc.

- Chemically neutralizes many types of odors, such as sulfides (from eggs, garlic and onion), amines (from fish) and pyridines (from tobacco smoke).

DIRECTIONS: Shake well. Direct spray upward toward the center of the room. Do not over spray. Repeat the application periodically as required. To deodorize fabrics, hold can 4-6" from the surface and spray sparingly.

DANGER

Keep out of reach of children. Read label and sds before use.
Extremely flammable aerosol. Contains gas under pressure; may explode if heated. May cause drowsiness or dizziness. Causes serious eye irritation.
May cause an allergic skin reaction.

Refer to SDS for additional safety information.
