

ANTIBACTERIAL HAND SOAP

LYNX® ANTIBACTERIAL HAND SOAP is an effective antibacterial hand soap for use in food processing plants and restaurants by personnel prior to handling food and/or food processing equipment.

This formulation effectively reduces the bacterial flora of the skin. When tested via the Time Kill Test, it demonstrates 99% or greater kill against Staphylococcus aureus, E. Coli, and Pseudomonas aerugunosa. Formulated with skin conditioners for extra mildness.

DIRECTIONS: Use this product to wash hands as you would use any soap. Avoid contact with eyes. If this happens, rinse thoroughly with water.

SAFETY CAUTIONS: Keep out of reach of children. This product is an eye irritant.

Refer to SDS for additional safety information.

TYPICAL PROPERTIES:

THE TOTAL TROOP ENTIRES.	
pH:	8.5
Solids:
