

## ALL PURPOSE CARPET STAIN REMOVER

LYNX® ALL PURPOSE CARPET STAIN REMOVER is an all-purpose, ready to use stain and spot remover for use on carpets and rugs. Excellent for removal of mud, grease, tar, dirt and food stains. Brightens and deodorizes as it cleans.

**DIRECTIONS:** Apply to a spot sparingly. Blot the stain from outside toward the middle with a brush or a clean white towel. Continue until there is no more soil transfer from carpet onto a towel. Rinse thoroughly. As with all stain and spot removers, it is recommended that the product be used in an obscure area to assure color fastness of the material being cleaned. This is merely a safety precaution as this product should be safe for use on most carpets and rugs.

**CAUTION:** Keep out of reach of children. It is recommended that protective gloves and safety glasses be worn when using this product.

Refer to S.D.S. for additional safety information.

### TYPICAL PROPERTIES:

Specific Gravity:.....	1.02
pH:.....	8.2
Phosphates (P <sub>2</sub> O <sub>5</sub> ):.....	None
Solids:.....	2.1%
