

STAINLESS STEEL CLEANER & POLISH

LYNX® STAINLESS STEEL CLEANER & POLISH cleans and restores high luster to stainless steel, chrome, aluminum, brass, copper and other metal surfaces.

- Leaves a protective coating to aid in retarding tarnishing of the surface.

DIRECTIONS: Remove protective cap. Spray surface to be cleaned liberally. Wipe with a clean, damp cloth leaving a small amount of residue on the surface. With a clean, dry cloth polish to a high luster.

DANGER

Keep out of reach of children. Read label and sds before use.
Extremely flammable aerosol.

Refer to SDS for additional safety information.
